

# Nevada State Employee Financial Education Day

Come join us for the Fourth Annual State of Nevada Financial Education Day. This year our event will be in conjunction with **National Save for Retirement Week** which is a congressionally endorsed, national event calling on all employees to take full advantage of their employer retirement plan.

You will learn about saving for retirement, Social Security benefits, Nevada Public Employees' Retirement System (PERS) benefits, the Nevada Deferred Compensation Program and other important information. Please see page two for seminar descriptions and times. Meetings are being held in **Las Vegas, Carson City and Reno**.

In addition to the seminars, representatives from the State Treasurer's Office, Secretary of State, Public Employees Benefit Program (PEBP) and Nevada Deferred Compensation investment providers will be available to answer individual questions throughout the day.

***The Governor's office has authorized three hours administrative leave to allow state employees to attend. Please coordinate with your supervisor to ensure appropriate coverage in your department.***

**Times:                    2 Sessions will be offered at each location.  
Morning session times are 9:00 am to 12:00 pm.
